Subject: Re: supplies

I have been escorting the R&A staff and handing them their supplies. The only note pads I have given out lately have been two to Laura for the two interns. To: Admincc: From: Tracy Shycoff/ARRB Date: 06/13/96 09:49:01 AM Subject: Supplies Supplies are going at a very quick pace from the supply room--last week alone we went through 2 dozen white lined note pads! In addition to using them up quickly, nobody notified me (or I assume any of you) that we were out. Please escort folks into the room and keep an eye on what is being taken. Nobody should be stockpiling supplies at their desks (except you guys that use folders, etc. on a daily basis). If you notice a supply getting low, please let me know. Thanks.
