**Subject:** Re: Private interests in assassination records

Hi Rob. I received your memo and I am in the process of reviewing it. I will get it back to you with some comments tomorrow. We have a deposition in Philadelphia on Monday and Tuesday of next week, so why don't you aim to get the final draft version to me on Wednesday? Then, I'll go over it with you in some detail and you can give the final to Jeremy shortly thereafter. Thanks for your hard work on this project. Let me know if you have any questions.

Hopefully I'll actually finish this up tomorrow, but I wanted you to take a look at what I've got so far (I suppose a draft draft). The final section will address the whole "possession" issue within the context of "government records". Stop by or e-mail me if you have any comments or suggestions.
