I'm not sure. When I have a break -- I'll go talk to Rob & see what is happening. Then, I'll let you know.

What is the exact nature of the access problem?

I know you sent me an e-mail that said, "this has been done," but, for some reason, they still do not have full access. (Noelle tried to pull the databases up for Rob, but to no avail.) Can you check it out?
Thanks.To: Chet Rhodes/ARRBcc: David Marwell/ARRB, Tracy Shycoff/ARRB, Jeremy Gunn/ARRBFrom: Laura Denk/ARRB Date: 06/18/96 10:44:47 AMSubject: Computers & InternsThank you for setting up accounts for Rob and Krista. I think they should have access to some additional databases, since they are going to be here every day this summer. I have listed them below. I talked to Tracy and she said it would be okay. I cc:ed David, so that if he thinks it might be a problem, he can tell you. Thanks!(1)Where in the World(2)Musings(3)Musings II(4)Warren Comm'n Summary(5)Mary Ferrell(6)ARRB LibraryHopefully, this will allow them to be a bit more integrated with the rest of the office, even though they are out by the kitchen. Thank you again.
