Your names were misspelled in the Intern Group listing. To: David Marwell/ARRBcc: Chet Rhodes/ARRB, Laura Denk/ARRB From: Rob Arreola/ARRB Date: 06/27/96 12:53:56 PM Subject: Re: Computers & Interns The nature of the problem is such that when I click on the "Musings" or "Where in the World" icons, I am prompted by the statement "You are not authorized to access this database" (or something along those lines). What is the exact nature of the access problem? I know you sent me an e-mail that said, "this has been done," but, for some reason, they still do not have full access. (Noelle tried to pull the databases up for Rob, but to no avail.) Can you check it out? Thanks. To: Chet Rhodes/ARRBcc: David Marwell/ARRB, Tracy Shycoff/ARRB, Jeremy Gunn/ARRB From: Laura Denk/ARRB Date: 06/18/96 10:44:47 AM Subject: Computers & Interns Thank you for setting up accounts for Rob and Krista. I think they should have access to some additional databases, since they are going to be here every day this summer. I have listed them below. I talked to Tracy and she said it would be okay. I cc:ed David, so that if he thinks it might be a problem, he can tell you. Thanks! Thank you again.
