Subject: Re: Substitute language pick list.
Bob I have added the Substitute lang. button, I have created a new database called Substitute Lang.you and Noelle have access to it along with Kevin and Phil and so on.Please add and I missed. I just put in the org. stuff. I played with it for awhile and I think we can add all of the 1s and so on to keep the data entry to minimum.KEVIN: please pass along to the FBI team this new button on the post Detail, I will cover in future training. It works just like the V-Codes button.
