Subject:	Re: Invitation
Body:	Kermit:I have been in contact with Sinn and was waiting until I had a complete story before I reported back. Sinn indicated the following:His colleague, Rod Rohrick, was asked to give a lecture on the Kennedy assassination (apparently Parkland physicians are assumed to have special knowledge). In preparation for the lecture, Rohrick visited the "Kennedy Museum" in Dallas (I assume the Sixth Floor Museum) and obtained copies of the Bethesda autopsy photos which he made into slides as illustrative material for his lecture. On the whole, this explanation makes sense, although there are some oddities (I doubt the Sixth Floor Museum gives out copies of the autopsy photos, although they do sell Groden's book). I asked Sinn to have Rohrick call me so that I could get a clear explanation from the owner of the slides.DavidTo:David_Marwell @ jfk-arrb.gov (David Marwell) @ internetcc: (bcc: David Marwell/ARRB)From:kermith @ HUMANITIES1.COHUMS.OHIO-STATE.EDU @ internet @ WORLDCOM Date:07/01/96 03:19:01 PM CDTSubject:Re: Invitation David, thanks for the inivitation. I'd be happy to attend; indeed, I look forward to it. There is a chance that Phyllis, my spouse, will accompany me, but that is not fixed -- yet. I will let you know. On the Sinn front, I placed another call, got another "he is not here," and left a message. He knows we are alive and interested. Strange behavior, but that is the nature of our business.
