I usually get busy late in the day with things they want copied, etc. - so I will take 10:00 to 12:30, then hopefully even get to work on minutes.

Subject: Christina is out sick today. I will take the first shift from 8:30 to 10:00. I don't know what schedules are like with the Board coming in tomorrow, so if you guys could let me know what your day looks like we'll set up a schedule from there.
