Subject: Re: Christina
Body: I usually get busy late in the day with things they want copied, etc. - so I will take 10:00 to 12:30, then hopefully even get to work on minutes. I forgot! I have a dr. appt. re sternum x-ray and elbow, so I have to leave at 3:00, so I have to work this early shift.To:Admincc: From:Tracy Shycoff/ARRBDate:07/08/96 07:57:19 AMSubject:Christinais out sick today. I will take the first shift from8:30 to 10:00. I don't know what schedules are like with the Board coming in tomorrow, so if you guys could let me know what your day looks like we'll set up a schedule from there.
