Subject: Re: Moses Weitzman visit
When I called Steve back, he only asked about Weitzman's identity and about why he needs to look at the Groden materials. When I explained to him why Weitzman would be looking at the films and photographs, he said that he would happily make the materials available. Weitzman will be looking at the materials in Charlie Mayn's area. Steve said that he may have someone from his staff there with Weitzman to look at the materials.

Please call Steve and tell him that the films are being kept on a temporary basis until the Board is fully satisfied about the status of the films and makes a decision about what it wants to do.
