Body: Mary, July 22 is fine with me.To:David Marwell/ARRB, Jeremy Gunn/ARRB, Bob Skwirot/ARRB, Manuel Legaspi/ARRB, Michelle Seguin/ARRB, Christopher Barger/ARRBcc: From:Mary McAuliffe/ARRB Date:07/12/96 11:30:19 AMSubject:CIA tourBarbara from HRG is trying to set up a tour of CIA headquarters for us before Michelle leaves. She has two possible dates for us, July 18 at 10:00 and July 22 at 10:00. The tour will last approximately 1-1 1/2 hours. I have a preference for the July 22 date, as I may not be able to make the July 18 one, but I want to check it out with everyone. I've put in a request to see the Ops. Center (if no emergencies are going on) and some high-tech. computer stuff, if possible. Barbara said she'd see what she can do.
