**Subject:** Re: Proposed format for NPRC trip report...  
Dave,I think the format looks good. One question: on so many of these names, we have little more than a SSN, DoB, and confirmation that they did serve in the 112th. Should we just have fields for name, dob, ssn, time/place of service, and then notes? Remember that on all the 316th guys, we have nothing more than ssns. What do you think?
