Manuel sent me this e-mail last week. If you would like one of the interns to work on it, please let me know. I think Rob may have some free time, unless you and/or Brian gave him another project while I was away. Also, when Krista comes in today, I will find out how she is doing on her privacy project. Would it be possible to have one of the legal interns answer a quick legal question for me? I just wanted to know if a statute of limitations has expired for Veciana's income tax responsibilities for the \$253,000 which Bisop gave to him on July 26, 1972.Thanks.
