Subject:	Re: ARRB Called Floyd Riebe

Body:

Roger, WILCO. I will edit the call report.To:Douglas Horne/ARRBcc:From:Jeremy Gunn/ARRBDate:07/23/96 06:28:59 AMSubject: Re: ARRB Called Floyd RiebePlease try to be neutral in your descriptions. Riebe didn't "verify"; rather, he "recalled" or "stated."To:Jeremy Gunn/ARRB, Tim Wray/ARRBcc: From:Douglas Horne/ARRB   Date:07/22/96 12:45:53 PMSubject:ARRB Called Floyd RiebeCALL REPORT: PUBLICDocument's Author: Douglas Horne/ARRB   Date Created: 07/19/96   The Players   Description of the Call   Date:07/19/96Subject:ARRB Called Floyd RiebeSummary of the Call:Jeremy Gunn and Doug Horne called Floyd Riebe and discussed the possibility of a deposition with him.He verified that he shot the following film during the autopsy of President Kennedy:1 roll of 35 mm Ektachrome (20 exposures)2 press packs (12 shots each) of B & W film3 or 4 film holders of color (i.e., 6-8 color transparencies)

He also recalled, when asked about when he signed CAPT Stover's film receipt, that it might have been the next day after the autopsy, but was not on the night of the autopsy.   When asked, Riebe did not remember taking pictures of probes in the body at the autopsy.He reaffirmed that he saw the back of President Kennedy's head missing at the autopsy.At one point he indicated that he might have shot some 120 film at the autopsy, but did not recall any film being seized and exposed to light.He recalled that normally a small tag with the autopsy number on it would be inserted into the duplex film holders at an autopsy, and that in this way the autopsy number would appear on the films when developed, but that there was no opportunity to do that on the night of JFK's autopsy.Mr. Riebe indicated he was amenable to being deposed, and Mr. Gunn said that we may take his deposition in August or September; Mr. Riebe did not have a preference as to when. It was tentatively agreed that his deposition would be in Washington. END
