Subject: Re: Testimony from living witnesses

Body: Dear Mr. White:The information that you have provided will be forwarded to the appropriate staff persons. Any actions taken by the Review Board must be within the parameters of its enacting statute. As you are aware, the Review Board is not reinvestigating the assassination. The Board is overseeing the review and release of assassination records.Thank you for taking the time to write to us again.To:" Eileen_Sullivan" @ jfk-arrb.gov (Eileen Sullivan) @ internetcc: (bcc: Eileen Sullivan/ARRB)From:jwjfk @ flash.net (jackwhite) @ Internet @ WORLDCOM   Date:07/23/96 10:28:39 PM CDTSubject:Testimony from living witnessesDear Ms. Sullivan:Researchers in the Fort Worth area are discovering dozens of very important witnesses who......attended school with Lee Harvey Oswald...were teachers or administrators of schools LHO attended...have told researchers that FBI collected records which have disappeared...have class photos including LHO...lived on same street with LHO...rented residences to Marguerite Oswald...worked with Marguerite Oswald...plus other valuable anecdotes regarding the Oswalds...in addition to these Fort Worth witnesses, we have others in New Orleans, Florida and California, etc.Does the ARRB have any capability for videotaping such living witnesses? If so, I will volunteer to assist in such a project by furnishing you names and brief info on what they know, and scheduling their appearances at a central taping location, and providing an interviewer. I am acquainted with a Fort Worth TV production studio which could be used at regular studio rates. Please Email info on this to me at jwjfk@flash.netSincerely,Jack White
