Please come by with your blue pay slip and I'll take a look at it. My records show that you were only charged 8 hours.

AMSubject: Annual leaveI'm down for 16 hours of annual leave this last pay period (July 8-20, if I figure it correctly). I believe the only day I took during this period was on July 17, for a total of 8 hours. What other days during that period do you have me out for?
