Subject: Re: more Veciana info
Actually, I'm more concerned that the material be procured and reviewed prior to the interview (as opposed to by the time we send out a letter). In any case, it is my hope that we could make the request of the Senate Intelligence Committee as early as this week, either by phone or letter. With any luck, we may get an early sense of how difficult it will be to pry the documents out of the Committee. If it's going to take a long -- or even an initially indeterminate -- time then we will, of course, have to proceed with Veciana notwithstanding our possession or non-possession of these additional records.
