**Subject:** Re: Time Marches On...June Documents Status  
We have the majority of the June documents in our possession. We are waiting for, I think, a dozen to twenty documents, among which is the Mexico Chon. I am not sure how soon we will receive the remaining documents. In addition, those which we do have need to be processed, so I suspect that it will be at least a week before the June documents can be ready for NARA.
