There should be tons of filters in the cabinets above/below the drawer. Let me know if you don't find any.  
(Also check in other drawers.)I didn't order yellow pads because we have tons of white ones and those are the  
ones people seem to use. Do youspecifically want yellow? If so, I can order some next week.To:Tracy

noticed there are not very many coffee filters left in the drawer in the kitchen. Is there another place where a  
stash is kept? If not, we're low. Also, I can't remember if I told you or not, but we're very low on yellow note  
pads (8 1/2 X 11 size) of paper. Thanks. And thank you for going to Dave about those edits for Brian. I  
appreciate it. Cathy.
