Subject: Re: FBI files
"Interpen" is short for "Intercontinental (?) Penetration Force," which is what Gerry Patrick Hemming called his group. "Senstudy," I think, is the FBI's internal way of referring to the Church Committee. To: David Marwell/ARRBcc: Phil Golrick/ARRB From: Joan Zimmerman/ARRB Date: 08/20/96 10:46:23 AM
Subject: FBI filesI just spoke with LuAnn. She said she would try to give me an updated list of files currently under review by Friday morning. SENSTURY is a misspelling. It is SENSTUDY, which refers to a Cuban matter. INTERPEN also refers to a Cuban matter. Also, FYI "See" packages are sometimes quite large files, not just a page or two.
