Subject: Re: Reorganization

Body: We need to discuss Mary's departure before we proceed with this briefing. I agree with the points in your memo. Let's discuss after you return. To: David Marwell/ARRBcc: From: Jeremy Gunn/ARRB

DeliveryPriority: I think it is important to brief the staff as fully and promptly as possible. I personally would urge you to stress reporting relationships. It would be helpful for me (and I assume you) if people report through the proper chain of command rather than (incidentally) raising review issues with me or research issues first with you. I am attaching my draft thoughts.
