Let me know if this is ok.To:Chet Rhodes/ARRBcc: From:Christopher Barger/ARRB Date:08/19/96 11:13:37 AMSubject:RequestIt has been assigned to Manuel and I to begin RIFing the Cuba documents at NARA II in preparation for DoD review and release. We need to have the RIF software installed or uploaded into the laptop for this. Tim has the software disc. Someone else has the laptop. Could we have your people talk to my people and get the two together and get this done so that we can carry out our orders? Thank you so much.
