Dear Mr. Speck : I am writing to you at the suggestion of Ms. Maura Pierce. Thank you for allowing me this
opportunity to introduce you to the Assassination Records Review Board and inquire about your interest in
our upcoming public hearing in Los Angeles on Tuesday, September 17, 1996 in the Board of Education
Hearing Room located at 450 North Grand Avenue. First, I would like to take this opportunity to introduce
you to the Review Board, an independent federal agency created by The President John F. Kennedy
Assassination Records Collection Act of 1992 (PL 102-526) to oversee the review and release of records
related to the assassination of President Kennedy. President Bush signed the Act into law and President
Clinton appointed the five members of the Board in April 1994. The Board is not re-investigating the
assassination. Our task is to make the historical record as complete as possible and available to the American
Body: public at the National Archives. I have enclosed an information sheet on the Board for your review. Second,
