HUAC finding aid will be in your "review at leisure" box momentarily. This was put together by NARA in anticipation of HUAC files being opened (which ultimately was kiboshed by the House of Rep.). Kris and Matt have not been working with any finding aids, insofar as the Senate Internal Security Subcommittee (Eastland Subc.) is concerned -- Kris will ask around and see if anyone else has one, but to date they're not aware of any.

They offer to make finding aids available (see p. 4). Please request the aids and send me a copy. Thanks.
