Subject: Re: State Department

Anna:I had not yet heard about Moose when I sent you the e-mail. The Hearing is scheduled to begin at 10:00 AM and should run through the early afternoon. In San Diego, Jack, Bill, and Kermit had discussed having a Board gathering after the Hearing. I have asked Tracy to reserve a conference room in the hotel for later that afternoon. I know that Kermit (and perhaps Jack?) is planning to take the red-eye on Tuesday night.I sent Nina a note and think that things are perty well patched up. He has not been replaced. Kennedy is probably acting. As for Nina, I have known her for more than a decade. She carries abig chip on her shoulder and was a malcontent for years in the HistoricalOffice. In this instance, she was not responsible for those cables so Icannot imagine why she has hurt feelings. I do know that like many in theagencies, she has ALWAYS resented the ARRB and the statute behind it.Nina is a retiree and really answers to Machek (assuming he is still there)who answers to yet someone else. Nina just needs some kind words and willcontinue to do her job. I called today to find out about San Diego but did not leave a messagefor you to call. I hope Jack made it. I regret missing it. Do you know if we are going to have a meeting after the hearing in LosAngeles? I have a reservation to come home the next day but would like toleave earlier and are even considering the red-eye. Is the hearing still onfor 10:00-1:00? Anyone hear from Stone as to his appearance? Anna
