Subject:	Re: Requests for Additional Information from Agencies
Body:	Tim - I have found one request for DOD for Additional INfo. Is this correct or do you have copies or recollection of more? For NSA I have two Requests for Additional info. Please let me know if I 0am missing any requests. I believe I have checked all agency files. I found nothing in the DIA or Navy files. Also, are there other agencies you are responsible for that I have not mentioned?. Thanks a lot. Please do the following.1. With Cathy's help, make sure that she has compiled the complete correspondence regarding requests for additional information for all agencies for which you are responsible. (Cathy -- please make a duplicate set for me except for FBI and CIA.)2. Once number 1 is completed, please give me a short update on where we stand on agency responses, and, if the agency has not completed its response, your recommendation as to what we should do next.3. Please make recommendations for additional requests.Cathy -- please see me.Phil -- FBI compilation is mostly complete. Please check Cathy's set. It seems that number 8 is missing and that we have two number 11s. Please clarify. Be sure to prepare ATF and others.Mary -- CIA compilation is complete. The only request you need to take care of is CIA-1. Please make recommendations regarding completion of CIA-1. Have we made any requests to State? If not, should we?Tim -- Be sure to do both NSA and other military.Joan -- I believe that you have principally completed numbers 2 and 3. Please give me a new copy of your memos and include any updates that you have.
