**Subject:** Re: MKULTRA

For my part, this doesn't ring any bells. I called Steve Tilley who didn't know, either, off the top of his head, but said he would try and track it down and let us know -- not that that should discourage others from following up alternative leads. To: Joseph Freeman/ARRB, Manuel Legaspi/ARRB, Eric Scheinkopf/ARRBcc: Jeremy Gunn/ARRB Date: 09/06/96 05:31:55 AM Subject: MKULTRA Someone told me yesterday that there are 137 boxes of MKULTRA materials at NARA. Would you three combine your knowledge and research skills and let me know if this is correct and, if so, where these materials are?
