Re: Barry asked if we could include an additional piece of information in the Determination Summary. Since HRG keeps track of page numbers in the documents that they review, having the number of pages in the document appear on the Det. Sum. would be very helpful for him. If we can extract the "PAGES" field from the NARA RIF form and add it to the first two lines of the entry on the Det. Sum. I am sure that Barry would be grateful.

Subject:

Body: Bob can you test, I think it works
