**Subject:** Re: August 6 Hearing Transcript and CIA Witnesses Review  
CIA was supposed to return changes last week, but John Pereira was out of the office. I have sent them affidavit forms to make corrections. Barry does have edits, which he has shown me. There is no change of substance, but he has made changes to add clarity. I am hoping to get his and John's corrections today. To: Jeremy Gunn/ARRBcc: From: Tom Samoluk/ARRB Date: 09/10/96 05:10:07 PM Subject: August 6 Hearing Transcript and CIA Witnesses Review We are get requests for this hearing transcript and I would like to be able to send out the complete transcript. Could you check on the CIA witnesses review of their testimony and advise me if there are edits that are going to be made? Thanks.
