Subject:	Re: outgoing e-mails
Body:	When e-mailing out of the office, you must type @Internet@Worldcom after the person's address. Good luck.To:Eileen Sullivan/ARRBcc: From:Manuel Legaspi/ARRB Date:09/23/96 08:34:19 AMSubject:outgoing e-mailsLast week I tried to email someone outside of the office, and I kept getting a "delivery failure." I think it might have been the way I addressed the e-mail... could you please let me know just how the addressee's name should be entered in the "to" line?Thanks, Manuel
