This is supposedly the same Tibbets who flew on the "Enola Gay" which dropped an atomic bomb in World War II. I found who I believe to be this same Tibbets, but have been unable to make confirmation w/ him. I've called the best number I could find for him (which is non-published) numerous (over 10) times & there was no answer. I'll meet w/ Tim re: sending a letter to him.I believe he's at the following location:Paul W.
