**Subject:** Re: Audiotapes in Conference Room

At the time Joan got one last week I had you reorder because there were only two left in the cabinet in the Board room. Upon investigation it was learned that Christopher used those two yesterday for the Prouty interview but didn't mention it to anyone. When the new order comes in, I think we will have to keep them in the locked supply room as we discussed if we ever expect to know what we have and what we don't. To: Tracy Shycoff/ARRB, Cathy Rodriguez/ARRBcc: Jerrie Olson/ARRB From: Douglas Horne/ARRB Date: 09/25/96 08:37:00 AM Subject: Audiotapes in Conference Room Jeremy and I are going on the road to conduct an interview today--David directed us to tape record it late yesterday afternoon when we spoke about it. Before I went home yesterday I attempted to acquire an audiocassette from the supply cabinet in the conference room...they were all gone. I am letting you good people know so that you can take corrective action before Friday morning when the Board Meeting begins...nobody likes a crisis. Jeremy and I are O.K. for today, since I brought in a blank tape from home. I am not complaining--I am just letting you all know as a courtesy.
