Subject:	Re: Ed Butler
Body:	Sound's good.To:Jeremy Gunn/ARRBcc: From:Laura Denk/ARRB Date:10/01/96 11:51:06 AMSubject:Ed ButlerI have left two messages -- one this week and one two weeks ago -- on the INCA's answering machine, asking Ed Butler to call me back with an update about the INCA files. These calls are following up my 8/29/96 letter to him in which I asked him to review his "locator files" and compile a list of materials in INCA's collection that might be of interest to the Review Board. I will let you know if he calls back. If he does not call back, I would like to send him another letter next week to check on the status of his project, if you think that is appropriate. Thanks.
