Subject: Re: One too many times

Kind sir...You'll get your picks this afternoon...We can discuss your alleged cheating at that time..._____To:~~Dave Montague/ARRBcc:~~From:~~Christopher Barger/ARRB~~ Date:~~10/03/96 12:41:08 PM~~Subject:~~One too many times~~dave,I have intervned twice now when someone else turns their picks in before you and takes "37" on the tie-breaker. I can't keep cheating. For the third week in a row, someone has claimed 37-- I gotta go with it this time. Phil has 37, you have to pick something else. Sorry, man-- gotta get those picks in earlier!
