Subject: Re: September 27, 1996 Board meeting

None of this is of particular interest, bu the Board-processed records include:1) A previously withheld Congressional Research Service (CRS) memo to the HSCA summarizing the Clark Commission, re: autopsy.2) A previously withheld HSCA summary of an interview with Leander D'Avy.3) A cover letter from J.Lee Rankin (WC Chief Counsel) to Richard Helms, along with accompanying LHO medical records from his time in Russia. Duplicate, both letter and medical records open elsewhere in JFK Collection.4) Previously withheld HSCA testimony of George Edward Butler, a Dallas PD Officer who provided information about OC activity in Dallas in late '40s and early '50s, re: possible Jack Ruby OC connections.5) Previously withheld HSCA notes on INS files on several OC-related individuals.6) Previously withheld handwriting analysis done for HSCA, re: handwriting on back of famous "backyard photos" of LHO w/rifle. Analysis of Marina and George DeMohrenschildt's handwriting.7) Seven records, previously withheld, concerning Dealey Plaza/TSBD witness James Jarman. While most of these records are open elsewhere in the collection, there is an HSCA interview transcript that, to the best of my knowledge, has not previously available anywhere.Hope this helps.
