Subject: Re: Humble requests...

Not sure what you need on the 1st request, on the second, when in the email goto the View menu at the top left part of the screen and select Show Search Bar, that will index you email for searching. It takes about 20mins to make the index.To:Chet Rhodes/ARRBcc: From:Dave Montague/ARRB   Date:10/11/96 10:24:18 AMSubject:Humble requests...Kind sir:1) Is it possible to add the category "ARRB Contact" to my Investigative Master database?...It will help me make sure I'm dealing w/the correct person...2) Can I set my e-mail so I can query in it?...It would really help me to find things much faster...Thank you in advance for any
