**Subject:** Re: my vacation

Thanks for the notice. I just wanted to double check that everything is set for Hosty's trip here. He isn't coming until Nov. 18 -- well after you get back, but I thought it would be worth seeing if there are any outstanding things that he needs. Thanks!

I will be out of this office starting this Thursday and continuing through next week-- back on Monday, November 4. Valerie has very generously agreed to take care of any crises in my absence. However, since she has plenty of her own work to do, I would like to keep this to a minimum. If you know of any travel that you will be taking during this time, please let me know asap. Additionally, if you are bringing anyone in on travel during this time please let me know. If you think of anything that you might need during the time I'll be gone and can see me about it before I leave, please do so. Thanks for your cooperation.
