	To:David Marwell/ARRBcc: From:Cathy Rodriguez/ARRB Date:10/17/96 03:57:25 PMSubject:Thanksfor sending me back the email. You are right, it was intended for D. Montague. I have two questions for you though: I wanted to at least begin on the photocopying project of several boxes which was given to me originally by Laura. I am awaiting the inventorying or whatever the Nara person is doing. He states he should be done by the end of the month. At any rate, is it ok for me to start photocopying, once he is finished? Is it your intention to have Christina help out? If so, in what fashion?Secondly, Tracy emailed me a week ago with a message that you are contemplating what files number Jeremy's "wrap up files" should have. Do you have any further info for me? Unfortunately, I am unclear as to exactly what should be in these files, so I need to clarify that with Jeremy (and you if you have information on this) before I could give you any input.Thanks,
