**Subject:** Re: Rental Car

**Body:** Thanks for your help. I personally think the rental car is the best idea, as otherwise Jeremy and I will have to carry our bags with us to Coyle's house when we do the interview, as I expect we will have to check out of our rooms beforehand and we will probably leave directly from the interview for the airport. I don't relish doing all that via cab -- and I suspect a rental car will actually be cheaper than several cab rides.
