Date: 10/23/96 10:41:51 AMSubject: Message from MachadoI just forwarded a telephone message to you (with an inadvertent introduction to Jeremy to whom I also forwarded the message). Hot news! The USSS has given legal custody of the protective surveys to NARA and they've already reviewed them. The USSS has no objections to release and thinks NARA should do the RIFs. How's that for a consent release?
