You are very welcome! It's not like I did a lot! But I am very interested in your action report! Thanks, Cathy

On behalf of Christopher and Irene, I would like to thank everyone who helped with the meeting with Messrs. Fonzi, Hardway and Lopez. Special thanks go to Cathy, Val and Doug. Fortunately our visitors were outgoing and relaxed, which undoubtedly contributed to the positive nature of our discussions. For those interested, I will be distributing an action memo from this meeting in the near future.
