Subject: Re: letters for tomorrow

Kevin I would also like to ask you to proofread as another set of eyes for me these letters, before forwarding for Jeremy's signature. Last time apparently, a letter went to Bowron citing FBI files release as opposed to SS. This kind of stuff I'm not too keenly aware of, so I'd appreciate your "once-over" if you have time. Thanks,

Cathy

PMSubject: Letters for tomorrow
Letters accompanying the Federal Register Notice need to go to the President (cc to Trey Schroeder), Louis Freeh of the FBI (cc to Carol Keeley), John Deutch of CIA (cc to John Pereira), all of the oversight committees on the Hill (Senators Stevens and Glenn, Representatives Clinger, Collins, Fazio (cc to Charles Howell) and Thomas (cc to Roman Buhler). We will also need to send a letter accompanying the Federal Register to Richard Claypool of the Federal Register. Previously I have prepared this one, and I will give you a copy of it. Jeremy has signed the notice itself, so it will be ready to go. Each of these will also need some other enclosure which I will prepare this afternoon.
