Due to Jeremy's wonderful review I can hardly wait to see this movie. In order to get the full effect and really do it justice, could we rent a large screen?

No need to bring your lunch. The blood, gore, and flesh gushes from the screen, leaving plenty for all to consume. If you don't like blood and gore, you may not be able to hold down your lunch anyway.

Assuming we can use the conference room, today we will begin showing Braveheart during lunch. As this film is nearly 3 hrs long, we will need to begin promptly at 12:00 each of the next three days so we can get the entire movie in by Friday. Bring yer lunch; see ya there. . .
