Subject: Re: De Mohrenschildt Suicide Photos
We should obtain a request in writing from NARA and execute a receipt when they are transferred.To: Jeremy Gunn/ARRB, Brian Rosen/ARRBcc: David Marwell/ARRB From: Kevin Tiernan/ARRB Date: 11/12/96 03:31:38 PMSubject: De Mohrenschildt Suicide PhotosMartha Murphy left me a message that she had a researcher interested in getting copies of the suicide photos some time ago, and that she had responded that they were unavailable at that time. She now wants to get back to the researcher since they are available. Since we have the originals, and they have only photocopies, Martha would like us to bring the photos out to the Archives where their lab will make a set of negatives for future reproduction. And then we would return the original photos to the HSCA boxes here. This seems like a reasonable arrangement, is there any reason we can't do it?
