**Subject:** Re: Agency contacts  
DoneTo: Chet Rhodes/ARRBcc: From: Eric Scheinkopf/ARRB Date: 11/13/96 10:20:56 AMSubject: Agency contactsI accidentally placed a report of an agency contact with Steve Tilley in the wrong category - with Les Waffen. The date is 11/13/96. I did copy it to the correct place but was unable to delete it from the Waffen listings. Is it possible to give me the ability to delete agency contact listings I have entered? If not, perhaps, you can delete its listing under Waffen.Thanks
