Subject: Re: "Special Notes" attachment.
Does this work now Bob?

PMSubject: "Special Notes" attachment.I had used the "Special Notes" form the other week and it worked just fine. Today, I needed to attach a note to a document in Review Track and there was no "Special Notes" in the Compose list. My guess is that it was never in Review Track; it was only where I had used it last time in Archive. Please add it to Review Track. Thanks.
