Subject: Re: supply orders

Body: Sure. I should have told you that I did not expect you to order them the same day I put the request in, unless it was specifically designated emergency. Thanks, Cathy

Cathy, can you make a list throughout the week of all supply orders, and e-mail them to me on Monday. I'm finding myself ordering supplies everyday, and Mondays are the days the order is suppose to go in. If there is a supply emergency, e-mail me as soon as possible, so I can put the order in right away. Thanks so much.
