Subject:	Re: database input
Body:	Done.To:Chet Rhodes/ARRBcc: From:Cathy Rodriguez/ARRB Date:11/21/96 09:32:53 AMSubject:database inputLast week while Chris was calling off names to me from the file cabinet and I was putting them in the computer, you told me there was an easy way to take the list I had created in Word perfect and put it in the Files database in Lotus Notes. Can you show me that or just tell me, via email if convenient. Thanks, Cathy
