**Subject:** Re: SCIF

It was a huge oversight on my part! Please tell me, do you have documents in the SCIf that are not filed away? Are all of your redwells in good working order or do you need new ones? How are you set with labels? If all is ok, Can I still set aside a time to meet with you, perhaps before WEdnesday, to go over where your stuff is located should I ever need to pull it for David, etc.? Thanks, Cathy Also, I am not assigning cleaning duty. Everyone has cleaning duty, but if you did your duty on a daily basis, you obviously don't have much to do. **Body:** was pleased to see that I was not on your list of persons assigned cleaning duty in the SCIF.
