**Subject:** Re: Russ Holmes  
I would like to talk to him. I would prefer the mornings, if possible. Any day next week is, as of now, okay.

I plan to talk to Russ Holmes today about coming in sometime next week to talk about his "collection." In addition, since he retired as a senior CI staff officer in January 1979, I wonder if he might shed some light on Angleton and his files. Do you want to participate in the discussion? Is any part of the week more convenient than any other?
