Subject: Re: Copy of: Destroyed Secret Service Records

Dear Mr. Byrne:The following are the RIF numbers and numbers of pages for the Secret Service Protective Reports you have inquired about:Miami: 154-10002-10422 (52 pages)Tampa: 154-10002-10423 (49 pages)Chicago: 180-10113-10084 (14 pages) -- open in fullThe status of the investigation into the destroyed Secret Service documents is ongoing and, therefore, I cannot elaborate. However, if not before, a report on this will be included in our final report (which should be available in approximately one year.) Finally, thank you for your kind words. I will take this opportunity to let you know that we have a new Press and Public Affairs Officer coming on board in one week. I will still be handling things as usual, so please do not hesitate to contact me if I can be of further assistance.Sincerely,Eileen SullivanAssistant Press and Public Affairs OfficerTo:Eileen_Sullivan @ jfk-arrb.gov (Eileen Sullivan) @ Internetcc:1bcc: Eileen Sullivan/ARRB)From:101705.3356 @ CompuServe.COM (BYRNE) @ Internet @ WORLDCOM

You may recall that you had passed my request on to a staffer for attention.In addition, canyou let me have the RIF numbers insofar as they relate to the Tampa and Chicagotrips in November of 1963. I am anxious to secure copies of same from theNational Archives. Do you know to how many pages they run ?Finally,I hear that you have been promoted ! Many congratulations, from my dealings withyou it is richly deserved.Sincerely,Paul Byrne
